

The sea is an immense source of energy and well-being for all of us;
in its presence, both mind and body naturally return to balance.

In honor of the land that welcomes us,
we have chosen the "Fabbrimarine" line especially for you.

TREATMENTS

STRESS DETOX

Detox from stress and reconnect with yourself

When your body asks for a moment of respite, abandon yourself to the relaxing benefits of water and the soft manual skills of our operators. Treat yourself to a ritual to live an exclusive experience of relaxation far from any source of stress.

The treatment involves:

- ✓ Relaxing hydromassage – 30 minutes;
- ✓ Ayurveda with gently scented warm oils to restore and maintain perfect balance, while regaining energy and strength.

Duration 90 minutes. Euros 85,00

SPA HAND RITUAL

Manicure and massage to care for your hands

A pleasant and effective hand care ritual, starting with a gentle cleansing and ending with deep hydration.

The treatment involves:

- ✓ Classic Manicure;
- ✓ Exfoliating scrub to remove dead skin cells and stimulate cellular renewal;
- ✓ Massage with a moisturizing and elasticizing cream for soft and silky hands.

Duration 45 minutes. Euros 40,00

Facial Renewal Treatment

The perfection of the sea for the beauty and wellness of your face

A treatment that uses marine active ingredients to support the skin and combat the signs of aging. Hyaluronic acid and marine-derived collagen provide a plumping and toning effect, complemented by the energizing action of plankton.

The treatment involves:

- ✓ Cleansing and exfoliation with GEL ORO-FABBRIMARINE;
- ✓ Facial toning followed by a draining and lifting massage;
- ✓ Deep nourishment with facial mask and eye contour serum.

Duration 50 minutes. Euros 60,00

The sea is an immense source of energy and well-being for all of us;
in its presence, both mind and body naturally return to balance.

In honor of the land that welcomes us,
we have chosen the "Fabbrimarine" line especially for you.

TREATMENTS

LIGHT LEGS

Hot-Cold and Sea Power

The alternation of hot and cold temperatures acts as an important vascular workout, stimulating blood microcirculation. Combined with a draining massage, it promotes oxygenation and the elimination of excess fluids, leaving the legs feeling light and revitalized.

The treatment involves:

- ✓ Kneipp Therapy
- ✓ Preparation with ELISIR-FABBRIMARINE, essential oil with rosemary, citrus, and jojoba;
- ✓ Targeted leg massage with lymphatic drainage using ACQUA-FABBRIMARINE gel;
- ✓ Mineralization with osmotized ACTIVE MARINE WATER.

Duration 50 minutes. Euros 60,00

ANTI-CELLULITE

The Sea essence

The properties of the sea combined with the power of water to combat the main skin imperfections.

The treatment involves:

- ✓ Hydromassage 15 minutes;
- ✓ Preparation with osmotized ACTIVE MARINE WATER;
- ✓ Exfoliation with ORO-FABBRIMARINE GEL to remove impurities;
- ✓ Application of ELISIR IPER essential oil with warming and lipolytic effects, featuring cinnamon and jojoba, for targeted action on fat deposits;
- ✓ Anti-cellulite massage with MARE-FABBRIMARINE GEL;
- ✓ Hydration with EMULSIONE-IDRA CORPO-FABBRIMARINE.

Duration 90 minutes. Euros 95,00
